Language in which majority of courses are taught is Croatian. Each course offers consultative teaching in English. Some courses offer consultive teaching in Italian, German, French or Spanish.

Only up to 20% of all offered courses are taught in English – it is impossible to make 30 ECTS only in English!

If a student had completed 3 years of studies previous to mobility, he/she can enroll courses of 1st or 2nd semester of master studies and elective courses of each semester.

If a student had completed 4 years of studies (8 semesters) previous to mobility, he/she can enroll courses of 3rd semester of master studies (or lower). Elective courses student selects according to his/her interest.

If a student had completed 5 years of studies (9 semesters) previous to mobility, he/she can enroll course Master's degree workshop (30 ECTS), and work with co-advisor at research segment of his /hers Master Thesis which would be completed after mobility at Home university with Home university adviser.

Students can enroll other additional courses of other 33 faculties, i.e. academies within the University of Zagreb (score of additional courses should not exceed 30% of total ECT score). For example, students enrolled Croatian Language and Culture – 4 ECTS (<http://croaticum.ffzg.unizg.hr/?lang=hr>), courses Business Strategies in Construction (4.5 ECTS- Summer), Fire Protection (6 ECST- Winter) at Civil Engineering Faculty; Sociology of Culture (2.5 ECTS - Winter) and Urban Sociology (2.5 ECTS - Winter) courses at School of Design at Faculty of Architecture, etc.
